LINEWORKERS RODEO 2025

CARILEC is inviting teams to register for the 2025 Lineworkers Rodeo.

April 25 | **Line workers Seminar**
April 26 | **Line workers Safety Training**
April 27 | **Line workers Rodeo**

The CARILEC Lineworkers Rodeo is an annual event that brings together lineworkers from across the region, offering them a unique opportunity to test their technical expertise, safety knowledge, and speed in real-world scenarios. The competition is divided between Apprentice and Experienced Lineworker categories. Apprentice is a **one-man team**, whilst the experienced team comprises of a **three-man team**.

APPRENTICE Lineworker Events

(Apprentices must have 0-5 years as an active Lineworker)

- HV fuse link replacement (Single Phase)
- 1 phase Equipotential Ground (Personal Ground) Installation on 40' pole
- Mystery Event
- Pole Speed Climb with an egg on 40' Pole
- Hurt Man Rescue – Apprentices/ Single man event

EXPERIENCED Lineworker Events

(More than 5 years as an active lineworker)

- 3-phase Equipotential Ground (Personal ground) Installation on 40' pole
- HT Cutout Installation
