

Technician – RTS

Transmission & Distribution (T&D)

BELCO is seeking a Technician – Records & Technical Services (RTS) to join our Transmission & Distribution (T&D) team. The successful applicant will conduct research along with providing technical and administrative support for the execution of records and technical services activities and implementation of Company projects with a full commitment to safety and environmental responsibilities.

Key Responsibilities

- Locate and mark underground cables
- Assist and support engineering with projects and/or participate in the technical aspects of Company projects
- Complete pre-engineering and drafting/design of project work
- Gather and prepare records on request
- Plan and conduct field surveys/site visits, data collection and data management
- Ensure communication and reporting with key business partners
- Maintain BELCO's hard and soft copy record system including updating records in the Geographical Information System (GIS)
- Working knowledge of set-up and operational procedures of CAD and GIS
- Knowledge of Government and BELCO's health and safety processes and procedures – in particular Records Policy
- Knowledge of the Bermuda Building Code requirements and of BELCO's Cable Marking Policy
- Strong analytical and problem-solving skills
- Excellent project and time management skills
- Excellent written and verbal communication skills, with ability to communicate with all levels of the organisation and/or regulatory agencies
- Strong computer skills using all Microsoft Office software and other programmes associated with the position

Education, Experience and Skills

- College Degree or Certificate in Computer Aided Design (CAD) or equivalent work experience
- Minimum of one (1) year post qualification progressive experience in Computer Aided Design system operations, preferably in an industrial utility environment

BELCO is a drug, alcohol and smoke free environment. All successful applicants are required to pass a pre-employment drug and alcohol screening prior to an offer of employment.
